

## OUTLINE

The focus on the course is on comparative law, its method and application, and we apply this on contract law, with three broad topics: formation, interpretation and remedies for breach. We will discuss the proposed Common European Sales Law (CESL).

## SCHEDULE with topics

Mo. 25. Aug. 12:15-14:00 Lectures DA Auditorium 6  
Introduction to the course and overview. Associate Professor Herman Bruserud
