

Summer internship - Legal Department in PGS

Petroleum Geo-Services (PGS) is looking for a summer student to support our Legal department at the PGS Headquarters at Lysaker.

We can offer you a unique opportunity to work in-house at the headquarter of one of Norway's most international companies. The internship will last approximately 4-6 weeks.

For more information about the position and to apply, please visit www.pgs.com/careers.

Deadline for application is April 30th.

Petroleum Geo-Services (PGS) is a leading, worldwide geophysical company providing an extensive range of seismic services and products for the petroleum industry including seismic data acquisition, processing, reservoir monitoring and analysis, interpretation and electromagnetic studies . The company also possesses the world's most extensive 3D MultiClient data library.

With its headquarters in Oslo, Norway, the company has over 34 offices worldwide in 25 different countries with larger regional offices in London, Houston and Singapore. The company is listed on the Oslo stock exchange (OSE: PGS)
