- When the test closes, your answer will be submitted automatically.
- You can change your file until the test closes.
- You will see your submission under **Archive**.

1 Exam

Answer **one (1)** of the following three questions:

1. Discuss the relationship between scientific knowledge and politics, drawing on at least three readings from the syllabus.
2. Discuss how different imaginaries of nature might either make visible or conceal connections across time and space. Base your discussion on at least three readings from the syllabus.
3. Make a selection of at least four readings from the syllabus and use them as your basis to discuss what role anthropologists have had, or could potentially have, in environmental discourses and debates of wide public and political concern.

The following file types are allowed: **.pdf** Maximum file size is **2 GB**
