Before completing the degree	30	33.0 % 
< 6 months	41	45.1 % 
1 year	10	11.0 % 
2 years	2	2.2 % 
3 years	1	1.1 % 
>3 years	7	7.7 % 

How did you learn about the job?

Answer	Number of	Percentage
Through network	36	38.7 % 
Through public job announcements like finn.no, nav.no etc.	27	29.0 % 
The company's home page	7	7.5 % 
Open application	3	3.2 % 
None of the above	20	21.5 % 

If you chose "none of the above", please specify

Still applying for relevant jobs
 McKinsey-stipendet
 I did my masters thesis in the same department
 Headhunted
 Tilfeldigheter
 looking for relevant job
 through my Master project
 Continuing at same department after finishing masters degree
 I already had the job before dop
 They contacted me.
 God job at the same place as my master thesis
 Now doing my masters in Biomedicine.
 Offered a PhD position where I took my MS.C.
 Som krysset av har jeg enda ikke fått en relevant jobb, men det tok 2 år å få jobb.
 Via veiledere
 Through a friend
 I got admission in UK
 I study medicine.
 through friend
 Ble tipset om jobb fra en foreleser på PPU-studiet (i en undervisningsøkt)
 I dont have a job...
 my supervisor (master)
 Am studying to become a dentist
 I sent an e-mail where I wrote of my background, and asked what they worked with as Field Hydrologists. I was then invited to send a CV and more information. Later they encouraged me to apply for a position coming up. I was selected for an interview and in the end they offered me the job.
 My supervisor from Master got funding for a PhD position for me to continue the work I did in my master degree
