

Parking rules for Minister Ditleffvei 20

- The parking lot is reserved for residents and their visitors.
- Cars must be moved at least every 72 hours.
- Parking outside of designated parking areas is prohibited. Parking in the driveway or on the lawn is strictly forbidden at any time.
- There should never be more than two cars in the middle of the parking lot. These cars must be paralleled-park, e.g. front bumper facing the back bumper of the adjacent car.
- If the parking lot is full or if you wish to park your car for more than 72 hours, you may park along the street.
- Illegal parking may result in towing at the owner's risk and expense.
- The company **Aker P-Drift** is responsible for managing the parking lot and can be reached through their Customer Service at tel. 22 16 70 80 (24/7).
