

A two room apartment with its own entrance, near nature, swimming or walking along the river. 12min by Tbane to the center of Oslo.

The double bed is 120cm wide and soft... there is an additional sofa bed in the living room.

The tbanerun along the bottom of our garden...so one hears it from our house especially if the windows are open or you are in the garden

Bright and sunny with a little terrasse. in an apple tree garden

The apartment is self contained but we live & work in the main part of the house

We have two cats, but they aren't allowed in your flat!

however they sometimes do...so this isn't a place for you if you are allergic

We also have 10 chickens that enjoy foraging in the garden.
