Commute to the University:

The university campus is easily accessible by public transport: ca. 15 min. walk to the closest Tbane station, or a 5-min. E-scooter ride (during the summer months).

Location:

Grocery shops are within 10-15 min. walking distance. Easy access to f.ex. cross country ski slopes (5 min. walk), or swimming in the lake (10 min. walk to Vesletjern or short bike ride to Steinbruvannet).

When you send a request, please take a moment to introduce yourself, since you'll be staying in our family home. We'd love to know a bit about your age, profession, the reason for your trip, your daily habits, and hobbies—anything that gives us a sense of who you are. The rental period can be discussed. Feel free to send me an email or call.
