# Us and our colleagues

\*These questions were originally negatively formulated, here they are reversed so that a higher score represents a positive outcome

1: Very rarely / To a very small extent 5: Very often / To a very large extent

# Us and our work

\*These questions were originally negatively formulated, here they are reversed so that a higher score represents a positive outcome

1: Strongly disagree / Very rarely 5: Strongly agree / Very often

# Our job in everyday life

\*These questions were originally negatively formulated, here they are reversed so that a higher score represents a positive outcome

1: Strongly disagree / Very rarely 5: Strongly agree / Very often

# Management of Adverse Incidents

We know what to do in case of unacceptable behavior: Towards ourself **82.9 %**, towards others **76.0 %**.

**UiO has its own employees, services, and systems for reporting and following you up**

If you wish or need follow-up on your case, it is important that you notify someone.

Inform your immediate supervisor or a higher-level manager.

You can use the university's reporting system called [Si i fra!](#) (Speak-up!)

You can also inform your [safety representative](#) or the [chief safety representative](#)

If you want support or guidance, you can also contact the [Occupational Health Service](#) (BHT). The Occupational Health Service are subject to a duty of confidentiality.

Others who can provide support are [union representatives](#) in your labor union or external professionals with legally mandated confidentiality (e.g., lawyer, doctor, psychologist)

# Our Work Environment Summarized
