# How to choose the right level

## You do not know any Norwegian

Sign up for one of the level 1 courses

## Norwegian courses at UiO earlier:

If you passed your exam: next level.

Level 2, 3 and 4 require that your grade in the previous level was D or better on both the oral and written exam.

## You know some Norwegian, but you do not have any documentation

Take the placement test (deadline August 19).

You'll receive the result by e-mail after you have finished the test. Check which level you have been placed in, register for that level.

## If you have taken Norwegian earlier and have documentation

Send me an e-mail so I can help you and manually qualify you for the right Norwegian level.
