How to choose the right level

Alternative 1:

• Norwegian courses at UiO earlier:
  • If you passed your exam: next level.
  • Level 2, 3 and 4 require that your grade in the previous level was D or better on both the oral and written exam.

Alternative 2:

• You know some Norwegian, but you do not have any documentation: The placement test (deadline January 8th, at midnight-tonight).
• Results will be sent by e-mail January 9th.
  • Check which level you have been placed in, register for that level.

Alternative 3:

• You do not know any Norwegian: Sign up for NORINT0110, NORINT0114 or NORINT0105M

Alternative 4:

• If you have taken Norwegian earlier and have documentation, send me an e-mail so I can manually qualify you for the right Norwegian level.
