

APPLICATION FOR EXTENSION OF QUOTA FUNDING for Master Degree Students

Only in extra ordinary circumstances can a Master degree student apply for a semester extension for example due to serious documented illness. The application must be completed and submitted to **Knutepunktet- International Student Reception**/within the deadlines below.

Deadline for submitting the application:

March 15 for students expected to complete in Spring semester-June (notification of decision in April)

September 15 for students expected to complete in Autumn semester-December (notification of decision in October)

Family name: (block letters)		First name:	
Date of birth and Norwegian identity number:			
Email:			
Faculty & Study Programme :			
Date started studies at UiO : (mm/yyyy)			

I have been a Quota student and I am now requesting extended Quota funding for the following time period:

Length of extension requested : (circle one)	a) Summer months to complete thesis (15 June-14 August)	b) one semester*	c) one year*
---	--	------------------	--------------

Please give a short explanation of your reasons for applying for extended Quota funding (**i.e. delayed study progress/field work/illness/pregnancy/other**). If necessary, use separate paper. If delay is caused by illness, please enclose documentation from your medical doctor:

*The student must obtain confirmation/approval-below-from Department Coordinator that the application for the extension requested above is approved by them. *Any recommendations by the Department for extensions with Quota funding beyond the summer months can effect the number of new quota students allocated to the The Department for the autumn term.*
