An Institutional Approach to the Responsibility to Protect

Edited by Gentian Zyberi
Universitetet i Oslo

Covering the main political organs of the UN, important regional and security organizations, international judicial institutions and the regional human rights protection systems, An Institutional Approach to the Responsibility to Protect examines the roles and responsibilities of the international community regarding the responsibility to protect. It also proposes improvements to the current system of collective security and human rights protection.

Part I. Theoretical and Practical Perspectives on the Responsibility to Protect:

Part II. The United Nations System:

Part III. Regional and Security Organisations:

Part IV. International Courts and Tribunals

Part V. Regional Human Rights Protection Mechanisms
