

ERASMUS+ STAFF MOBILITY: MOBILITY AGREEMENT

The Mobility Agreement consists of this document, the staff member's application form and the invitation from the receiving institution. The Mobility Agreement is Annex I to the Grant Agreement between the staff member and the sending institution.

This document must be signed by the participating staff member and his/her manager at the University of Oslo.

By completing the Mobility Agreement the staff member, the sending institution and the receiving institution/enterprise approve the proposed programme for the mobility period, as described in the staff member's application form.

The sending institution supports the staff mobility and will recognise it as a component in any evaluation or assessment of the staff member. The staff member will share his/her experience, in particular its impact on his/her professional development and on the sending higher education institution, as a source of inspiration to others.

By signing this agreement, the staff member's manager approves that the proposed objectives, content, and expected results of the mobility will add value to the department/unit and to the participating staff member, and confirms that the department/unit will cover the difference between the grant awarded and the actual costs incurred.

The staff member and receiving institution/enterprise will communicate to the sending institution any problems or changes regarding the proposed mobility programme or mobility period.
