European Education Area - by 2025

- *A continent where spending time in another Member State - to study, to learn and to work - has become the standard and where, in addition to one's mother tongue, speaking two other languages has become the norm. A continent in which people have a strong sense of their identity as Europeans, of Europe's cultural heritage and its diversity".*
 - *Mobiltet for alle, gjensidig godkjenning, bedre språkopplæring, europeisk studentkort mm.*

Education and Training

European Universities Initiative

The aim behind this initiative is to bring together a new generation of creative Europeans who are able to cooperate in different languages, across borders and disciplines, to address the big societal challenges and skills shortages that Europe faces.

European Universities – Målsetninger

- Å fremme felles europeiske verdier og identitet
- Økt kvalitet, attraktivitet og konkurransevne: europeisk kunnskapsøkonomi og sysselsetting

Hva forventes?

En langsiktig visjon hvor man innen 2025 vil ha:

«Going beyond existing higher education cooperation models and gradually achieve the long-term ambitious vision for European universities»

(Implementere European Education Area).

Erasmus+ Pilotutlysning

- To piloter (2018 og 2019)
 - 5-8 partnere
 - Geografisk bredde
 - Allianser med ulike profil (testing av ulike innovative modeller)
 - Max 5 millioner euro pr nettverk (3 år)
 - Mission statement og felles strategi med trinnvis økt integrasjon
- Ordinær utlysning 2021

Key elements to be implemented

- Long-term joint strategy for education (links to research and education where possible)
- A European higher education inter-university «campus»
 - Mobility on all levels within the confines of pedagogically sound and logically structured programmes
 - Embedded mobility as a standard feature
 - Joint and flexible curricula : multi-disciplinary, innovative pedagogies and latest digital technologies
 - Practical and/or work-based experiences by external mentors
 - Diversity in student population
- Challenge-based approach (depending on overall strategy and vision)
- European Education Area: multilingualism, automatic recognition, European Student Card, Bologna commitments

How to implement

- Different innovative and structural models
 - Step by step approach
- Mission statement entailing a full joint strategy for pursuing a high level of cooperation
 - across various levels of the organization
 - different areas of activity building on complementary strenghts (NB: strong education focus)
- Joint work plan of activities to achieve long term vision
 - Common mangement structures
 - Activities to reach ambitions in terms of mobility, social inclusion and challenge-based approach

Felles visjon: Kvalitet i utdanningen ved forskningsintensive universiteter
