Formal requirements

LAT1403 - Latin Lyric Poetical Texts
Autumn 2022
Wednesday 14 December (4 hours)

The exam consists of five parts, one of which is optional. (It is possible to earn extra points if you complete the fifth part of the exam.).

Total number of points: 100 (plus 15 points that are optional).

This is a closed-book exam. The use of dictionaries or grammars is not permitted.

Your answer is auto-saved every 15 seconds. You can navigate between the questions and the formal requirements any time.

tempore quo primum vestis mihi tradita pura est,
    iucundum cum aetas florida ver ageret,
multa satis lusi: non est dea nescia nostri,
    quae dulcem curis miscet amaritiem.
sed totum hoc studium luctu fraterna mihi mors
    abstulit. o misero frater adempte mihi,
tu mea tu moriens fregisti commoda, frater,
    tecum una tota est nostra sepulta domus,
omnia tecum una perierunt gaudia nostra,
    quae tuus in vita dulcis alebat amor.
cuius ego interitu tota de mente fugavi
    haec studia atque omnes delicias animi.
quare, quod scribis Veronae turpe Catullo
    esse, quod hic quisquis de meliore nota
frigida deserto tepefactat membra cubili,
    id, Mani, non est turpe, magis miserum est.

1 Part 1

Translate the passage to the left (from Catullus 68) into English or Norwegian.
(40 points)

Tu ne quaesieris (scire nefas) quem mihi, quem tibi
finem di dederint, Leuconoe, nec Babylonios
temptaris numeros. Ut melius quicquid erit pati!
Seu pluris hiemes seu tribuit Iuppiter ultimam,
quae nunc oppositis debilitat pumicibus mare
Tyrrhenum, sapias, vina liques et spatio brevi
spem longam reseces. Dum loquimur, fugerit invida
aetas: carpe diem, quam minimum credula postero.

3 Part 3

Translate the poem to the left (Horace, 1.11) into English or Norwegian.

5 Part 5 (optional)

OPTIONAL:

Write down from memory one stanza from 1.9 and the metrical schema of the Alcaic stanza.

For the metrical schema, use the H/L/X notation for heavy/light/anceps syllables and use | for the required word break.

(10 points for the Latin text, 5 points for the metrical schema)
