KRIM2960

Exam paper

Answer one of the following questions:

1. What environmental/animal/ecological harm from the syllabus do you think is the most pressing to prevent/combat? Describe the harm shortly, and argue for and against your choice based on the literature in the syllabus.

Or

2. Choose an animal harm from the syllabus. Describe the harm shortly, including its causes and consequences. Then, use the syllabus to discuss how it relates to the justice perspectives and animal rights.
