Cheating: Any exam at the University of Oslo is being checked for both correct word count and incidents of cheating. Text recognition software will be used to find cases of plagiarism. Failure to cite sources or highlight quotes in any assignments that are handed in is considered cheating. You must cite the source if you obtain data, reasoning and arguments from the literature, syllabus, lecture notes, web pages, other students' papers or your own previously submitted papers. Short or long pieces of text quoted verbatim from other sources must be italicised so that it is obvious that it is a quote.

Submit your exam: The essays shall be handed in electronically in Inpera. Exams at the University of Oslo are anonymous. Do not write your name.
