General information

KRIM4956 - International Criminal Justice and Mass Violence

4 hours digital school exam.

Language of examination
The examination text is given in English.
You may submit your response in Norwegian, Swedish, Danish or English.

Examination support material
You may bring up to two copies of a general (non-legal) spelling dictionary, regardless of language. These should not have annotations/notes in them.

No other examination support material is allowed.

Your exam answer
After the exam, you will find your submitted answer under Previous exams.

Best of luck with your exam!

Exam instructions

We do not expect you to create a bibliography at the end of the assignment. Use the attached lecture plan with readings listed to remind yourself of the correct name and year for references you use and include in the main text.

Exam assignment

If you were given the task to improve the system of international criminal justice, what would be your main emphasis, and why?

Based on the course readings, account for and discuss core critiques and shortcomings of international criminal justice, and present your recommendations for improving the system of international criminal justice.
