

SEMINAR FOR LAW STUDENTS FEBRUARY 8

Professor Mads Andenæs introduces legal method and the relationship between Norwegian domestic law and European and international law.

This is a preliminary outline:

10.15-11.00: Law and legal systems. Norwegian law, international law, European Union law, human rights protection at the different levels. How do the systems interact?

10.15-11.00: What are sources of law and how do lawyers reason

11.15-12.00: Introduction to the EU legal system

12.15-13.00: International law and its sources

13.15-14.00: Using legal texts: statutes, treaties and cases. Trying the new tools: reading out, in and down, looking around, behind and ahead and other legal games

Place: Aud.6, Domus Academica (Karl Johans gt. 47)
