

## Cargo insurance

Professor Trine-Lise Wilhelmsen  
Scandinavian Institute of  
Maritime Law

## Overview

- o What is cargo insurance
- o The legal sources
- o The insurance contract
- o Insurable value and the sum insured
- o Scope of cover

## Overview

- Duties of disclosure and due care
- The period of insurance
- The liability of the insurer

## 1. What is cargo insurance

- Covers cargo under transport from A to B (normally seller to buyer)
- Casualty (damage and loss) insurance
- Includes buyer's profit
- But not
  - loss of income in general
  - owner's liability

## 2 The legal sources

- FAL (ICA) 1989

- The Norwegian Cargo Clauses

Marine insurance

7

### 2.1 FAL (ICA) 1989

- Starting point: Mandatory, § 1-3.1
- But exception for insurance of international transport of cargo, § 1-3.2 (e)
- Applies to national transport of cargo
- The approach in the *CICG*:
  - Follows ICA
  - with certain exceptions for international transport

Marine insurance

8

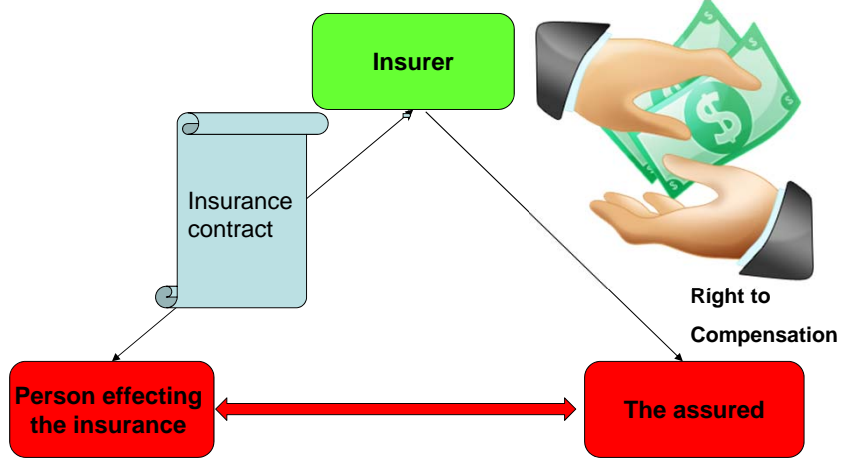

## 2.2 Norwegian Cargo Clauses (CICG)

- Conditions relating to insurance for the carriage of goods
- Many of the same characteristics as NMIP
- But
  - Less extensive commentaries
  - A stronger connection to the ICA

## 3. The insurance contract

- The parties to the insurance contract
- Interests covered by the insurance
- Effecting the contract

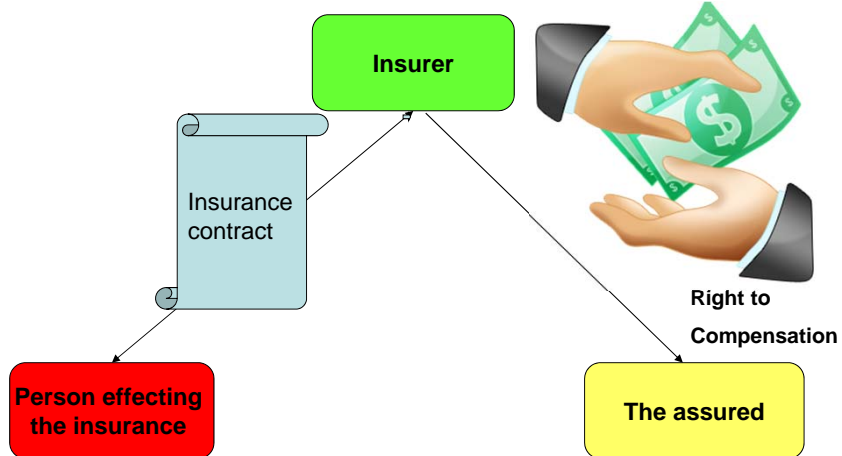

### 3.1 The parties to the contract

Marine insurance

11

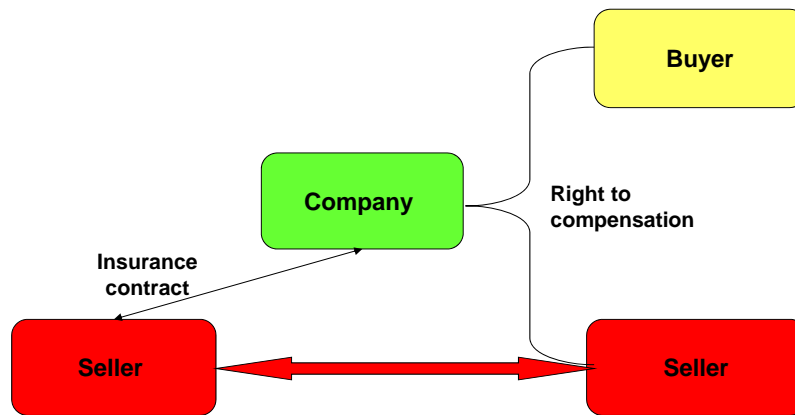

### Insurance of third party interest

Marine insurance

12

## Insurance of third party interest, CICG § 9

Marine insurance

13

## 3.2 Concluding the Contract

- Insurance certificate, ICA § 2-2
- Insurance document, CICG § 1 nr. 4
  - Single shipment = Insurance certificate
  - Open cover/floating policies =
    - certificate for the whole period
    - + document for each shipment

Marine insurance

14

## Question

- A safety regulation is inserted in the insurance certificate agreed between the insurer and mother company A of carrier B for a one year transport policy, but not in the insurance document for a transport performed by carrier B.
- May the safety regulation be invoked against B?

## 4 Insurable value and sum insured

- Insurable value, CIG §29
- Starting point for seller and buyer:
- Unless otherwise agreed, the **insurable value shall be deemed to be** the market value of the goods **at the place of loading at the inception of this insurance**. If the goods are sold, the market price shall be calculated on the basis of the invoice value.

## 4 Insurable value and sum insured

If compensation for the goods is payable to the buyer, the insurable value shall, if applicable, also include:

- (a) charges incurred by him in connection with the shipment,
- (b) customs duty and other ordinary costs related to the transit,
- (c) the insurance premium which he is to pay,
- (d) freight which he has paid or will have to pay,
- (e) his anticipated profit. Unless otherwise agreed, the insurable value of such anticipated profit shall be 10 per cent of the insurable value of the goods as such.

Marine insurance

17

## Insurable value, § 29

Buyer and seller:  
Market value at place  
of loading

Buyer:  
+ charges  
+ customs  
+ insurance premium  
+ freight  
+ profit

Marine insurance

18

## 4 Insurable value and sum insured

- o Sum insured
- o Under-insurance, CIG § 30
- o Over-insurance, CIG § 31
- o Limit; CIG §§ 32-33:
  - o Sum insured for casualties, § 32
  - o + losses according to §§ 39-43, i.e. salvage measures etc.
  - o + interest according to § 49

Marine insurance

19

## Under insurance, CIG § 30

Spring 2013

Marine insurance

20

## Over insurance, CIG § 31

Spring 2013

Marine insurance

21

## 5. Perils insured against

- o Perils insured against
  - o Three levels of coverage
  - o International approach
  - o Transport accident - C clauses, § 5
  - o Extended transport accident - B clauses, § 4
  - o All risks coverage, A clauses, § 3

Marine insurance

22

## Question

- o A container of furniture was transported by MS Ship. During loading MS Ship heeled over and the container fell overboard and was damaged. The owner of the furniture had transport insurance on C clauses. Is the damage to the furniture covered.

## 5. Perils insured against

- o Risks excluded, § 18
  - o Inherent nature of goods and ordinary loss in weight and volume (1 and 2)
  - o Illegal activity (4)
  - o Delay (5)
  - o War and similar perils (3, 6, 7, 8-11)
- o Other exclusions, § 17 and § 19.

## Question

- o A package containing jewellery and pearls were imported to Norway by Ms Glitter without payment of VAT. The package was insured by AS Transport insurance. The package was stolen.
- o Can AS Transport insurance avoid liability?

Marine insurance

25

## Question

- o A package containing fresh food was delayed because there was no room in the ferry the truck was supposed to have taken. The fruit was already destroyed when the delay took place. Is this loss covered under the transport insurance?

Marine insurance

26

## Question

- A ship was captured by pirates outside Nigeria. The pirates stole the oil cargo on board. The shipment was insured. Is the theft covered by CICC?
- Does it matter whether insurance was effected on A, B or C clauses?

## 6. Duty of disclosure and due care

- Introduction
- Duty of disclosure
- Safety regulations
- Identification

## 6.1 Introduction

- Follows ICA
- But:
  - Stricter safety-regulation for international transport
  - Suspension of insurance in case of delay

## 6.2 Duty of disclosure

- What and who
- When
- Sanctions

## 6.2.1 What and who

- **CICG § 12/ICA § 4-1:**
  - Answering questions (Passive duty of disclosure)
  - At the time of conclusion of contract
  - But: duty to make corrections
  - Addressed to person effecting the insurance
- **CICG § 13: Special rule for the assured**

Marine insurance

31

## 6.2.2 When: time of the duty of disclosure

Factual circumstances

Good faith

Marine insurance

32

## 6.2.3 Sanctions

- Fraud, ICA § 4-2 and § 4-3:
  - No liability
  - Termination
- More than a little to blame, ICA § 4-2 and § 4-3
  - Reduced liability
  - Cancellation, 14 days notice

## 6.2.3 Sanctions

- Less than a little to blame
  - Full liability
  - But: Cancellation, 14 days notice, ICA § 4-3
- Conditions to invoke, ICA § 4-4
  - No knowledge
  - Significance
  - Notification

## Question

- A effected insurance for transport of several containers without informing the insurer that the carrying vessel did not have a valid ISM certificate. No questions were asked during the negotiations. The cargo was damaged during the transport due to heavy weather.
- Can the insurer invoke breach of the duty of disclosure?
- If so; what sanction may be used?

Marine insurance

35

## 6.3 Safety regulation

- Concept; National transport: § 21.1.1:
  - § 22 - unsuitable means of transport
  - § 23 - marking and packing of goods
  - § 24 - Goods carried in thermo regulated means of transport

Marine insurance

36

## 6.3 Safety regulation

- Concept; International transport: § 21.1.2:
  - As above
  - + "all regulations and injunctions concerning measures for the prevention of loss issued by public authorities"

## 6.3 Safety regulation

- Sanction: § 21.2: No liability (# ICA) provided
  - Causation
  - Fault: "Cannot be imputed" (# ICA)
  - Burden of proof: shifted

## 6.4 Casualties caused by the assured

- ICA § 4-9
- Intent
  - No liability
  - Without fraud: part liability possible
- Gross negligence - reduction in liability
- Ordinary negligence - full liability

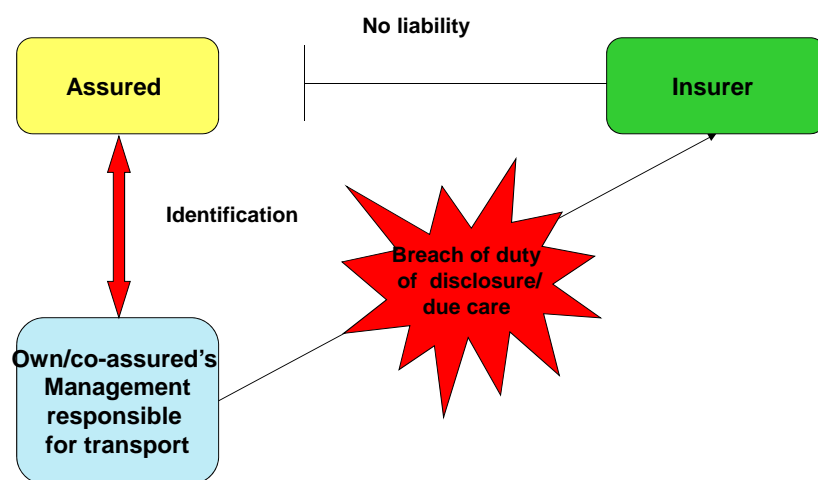

## 6.5 Identification

- The problem
- Between the assured and his helpers
- Between the assured and the policy holder/former owner
- Extended identification for breach of safety regulation

## 6.5 Identification between the assured and his helpers

- o CIG § 10, 1 (a): Management personnel employed by one of the assured parties responsible for the transport of the goods

## IDENTIFICATION BETWEEN THE ASSURED AND HIS HELPERS

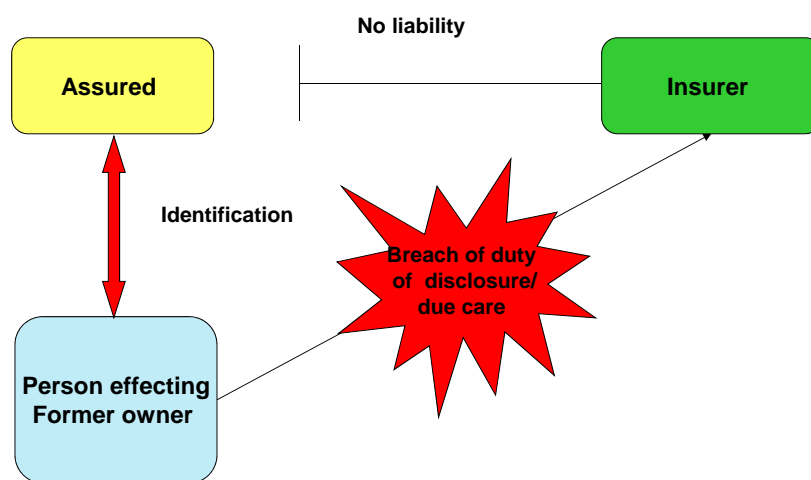

## 6.5 The assured and the person effecting the insurance

- CIGG § 10.1 (b)
- Person effecting the insurance and former owner of the goods
  - Either owner at the time of the omission or
  - Goods were in his charge

Marine insurance

43

### CIGG § 10 (b)

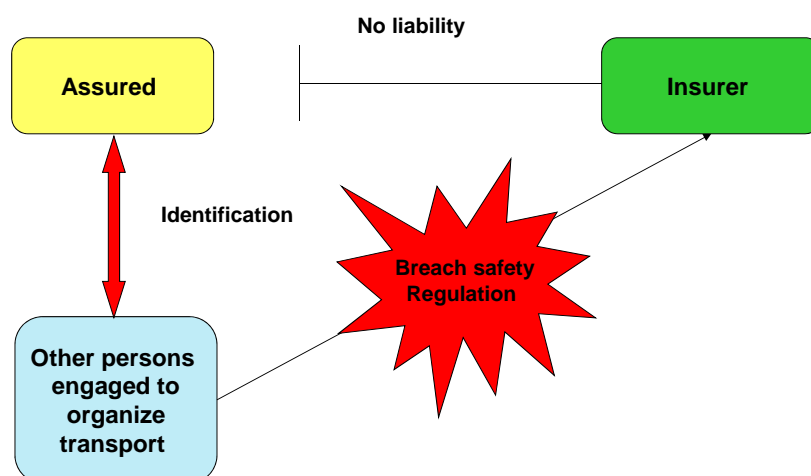

Marine insurance

44

## 6.5 Extended identification

- CIGG § 10 2 subparagraph
- Breach of safety regulation by other persons engaged to organize the transport
- Ex freight forwarders etc

### CIGG § 10 (2)

## 7. Period of insurance

- Period of insurance in this context:  
When does the insurance attach for each separate consignment of goods?
- When does the period commence?
- When does the period terminate?
- Suspension of the insurance

### 7.1. Commencement of the period of insurance

- CIG § 14.1: where the insurance is effected by the seller,
- The insurance period starts when the goods are moved for direct loading into the means of transport which shall convey them from the warehouse or place where the insured transit shall commence

## Question

- Goods were damaged when the fork lift hit the goods too hard when it inserted itself into the pallet inside the warehouse to move the goods for transport.
- Is the damage covered?
- Does it matter whether insurance was on A-, B-, or C clauses?

Marine insurance

49

## Question

- Goods were lifted from the shelf in the warehouse into a container. Due to a mistake the container was not immediately transported to the ship for carriage to the buyer. The delay lasted for 24 hours and resulted in temperature damage to the goods.
- Has the period of insurance started?

Marine insurance

50

## Commencement of the period of insurance

- o CIGG § 14.2: Where the insurance is effected by buyer, or
- o Where the insurance only covers buyer's risk
- o Period of insurance commences when, in accordance with sales contract:
  - o The risk passes to buyer
  - o Insurance effected by seller terminates

Marine insurance

51

## Commencement of the period of insurance

- o CIGG § 14.3: Insurance period extended where the insurance covers only buyer's interest
  - o Covers buyer's loss because no information in transport document on shortage or damage incurred after start of transport
  - o Provided buyer's good faith

Marine insurance

52

## 7.2. Termination of the period of insurance

- o CIGG § 15: Five possible termination points in time given
- o Decisive: Which point in time occurs first

## 7.2. Termination of the period of insurance

- o First alternative: goods safely unloaded from means of transport that brought them to consignee's warehouse at named place of destination
- o Second alternative: goods delivered to consignee or placed at his disposal

## 7.2. Termination of the period of insurance

- Third alternative: Risk passed to buyer where carrier has sold the Goods in accordance with contract
- Fourth alternative: 30 days after completion of discharge at named place of destination
- Fifth alternative: 60 days after discharge from the carrying vessel

## Question

- Goods were discharged at the buyers warehouse and was damaged when lifted by a forklift for transport to the storage facilities within the warehouse.
- Is the damage covered under insurance effected by the buyer?
- What if the insurance was effected by the seller for his interest only?

## 7.3. Suspension of the insurance

- o CICG § 16.1: Delay in one place for more than 15 days due to circumstances within the assured's control
- o CICG § 16.2: Delay in transit in one place for more than 3 months, unless exceptions nr. 1, 2, 3 or 4 apply

## 7.3 Suspension and ICA § 4-6

- o The company can reserve the right to disclaim or limit its liability if a specific circumstance with a material bearing on the risk is changed. **Such a reservation can not be invoked if the insured party neither knew nor ought to have known that the circumstance had been changed, or if the insurance event is not due to the changed circumstance.**

## 8. Liability of the insurer

- Two main questions:
- Under what circumstances does the assured have a right to compensation?
  - Total loss, shortage, damage
- How is the compensation decided?
  - Total loss, shortage, damage

### 8.1. Total loss

- The concept "total loss", CIG § 35.1
  - The entire consignment is destroyed
  - The assured deprived of the goods without possibility of retrieving it
  - Transit to destination abandoned
  - Severe damage (90% of value lost)

## 8.1. Total loss

- The settlement of a total loss, *CICG* § 35.2
  - Main rule: sum insured, but not more than insurable value
  - No deduction for previously incurred damage, whether covered or not

## 8.2. Shortage

- The concept "shortage", cf. *CICG* § 36.1
  - Part of the insured consignment totally lost, cf. *CICG* § 35.1
- Compensation, cf. *CICG* § 36.2
  - Right to proportion of sum insured corresponding to the goods lost

## 8.3. Damage

- The concept "damage": not defined in CIG
- The compensation:
  - The insurer may always require repair, and cover the costs of repair, CIG § 37.1
  - But: If repair results in unreasonable loss or inconvenience

## 8.3 Damage

- If damage not repaired, the insured entitled to cash settlement based on damage percentage, CIG § 37.2
  - But: If damage percentage for goods intended for resale is above 50%, the insurer may demand sale, CIG § 37.3.1
  - With perishable goods, right to sale even where damage percentage is below 50%, CIG § 37.3.4

## 8.3 Damage

- Special rules to apply for procedure and limits to the right of sale
  - Request must come without undue delay after survey report, *CICG* § 37.3.3
    - Perishable goods: not necessary to wait for survey report, *CICG* § 37.3.4
  - Right to sale to take due account of the interest of the assured, *CICG* § 37.3.5, cf. § 52

Thank you for your  
attention
