

JUR 1560 International Constitutional Law and Democracy.

1. How is the term constitutionalism defined in the articles by Dieter Grimm or by Martin Loughlin?
2. How is the term constitutionalism further developed and applied by Joseph HH Weiler in his analysis of the EU?
3. Give examples of the theories of democracy developed in the articles by Jürgen Habermas or by David Held. Give examples of how these theories may be applied to one or more of the relevant international organizations, such as the UN, WTO, EU or others.
