

## EXAM

### JUR1641 - Electronic Communications Law (BA) - Autumn 2017

Date: 27 November 2017

Time: 09:00

---

Please define, explain and discuss the continued relevance of the concept of "electronic communications service (ECS)" under the current European regulatory framework for electronic communications networks and services. In the context of your answer, please *also* address the following questions:

1. Under the current regulatory framework, is a simple reseller to be considered as a provider of ECS?
2. Is a service/application like WhatsApp currently to be considered as an ECS? Should it be included in the future?

Please indicate the respective relevant regulatory provision(s) and justify your answers.
