

## **JUS5670 – E-Commerce law**

### **Mid-term paper - 2016**

Examine the extent to which, if at all, the acts of:

- (i) mere browsing a website,
- (ii) clicking on an "I accept" box on a website,
- (iii) downloading of digital content,

constitute acceptance of the website's terms and conditions. Assume that the service provider whose business the website relates to is established in a Member State of the European Union.
