

Weekly assignment for week 8 (11/03/16) AST3220

Do as many as possible old exams in order to prepare for the mid-term one. If possible, do all of them.

In class, you will also have time to work on the exams, ask questions and we will discuss the last part of mid-term 2013, and mid-terms 2011 and 2014 (time permitting).
