

Weekly assignment for week 10 (08/04/16) AST3220

Do all the exercises of chapter 2.

If you have not much time, take a look at the lecture notes, chapter 2 until section 2.4 included. For section 2.3, pay attention at the last page. This will allow you to get a good knowledge to do the exercises 2.4, 2.5 and 2.8 which are the specially interesting ones, and to be ready for solving the compulsory exercise 2 (15/04/16).
