# Meet at Rikshospitalet kl. 12.00, Friday 22.11!

Walk in the main entrance and find the elevator in D2, which is on your left when you come in

Take the elvator to the 3rd floor, and go straight to the right when leaving the elevator. You will find a sign in the roof saying «Medisinsk-teknologisk avdeling» in front of a long corridor. Go through the glassdoors and through the long corridor

At the end of the corridor, turn right and go until you see a meeting room with a big white magnet outside. Go in.
