

## **Necessary personal equipment for field course**

The field course will be held in high-mountain environment during late summer. This means possibly temperatures close to freezing, rain/snow and wind. We are outdoors during all weather conditions. Therefore, necessary personal equipment includes:

- Good boots
- Water and wind-proof jacket and trousers
- Warm underwear
- Gloves, etc
- Water-proof note book

## **Misc. information**

You have to sign a field card (Health-Environment-Safety) before participation and deliver to the course responsible prior to departure (see WEB site)

The cost of the field course/excursion is Nkr. 250 per day.
