Mandatory Assignment 1

Topic: Research methods in published work ID/HCI

For your assigned published paper, please answer to the following topics:

1. Description of the research topic
2. Description of the study design (research question(s)/ hypotheses, research gap, research context)
3. Description of the method (participants and their characteristics, description of the process)
4. Main results of the study
5. Description of the disciplines that contribute to the study
6. Type(s) of research contributions that are made
7. Who is the audience of this study?
8. Suggest a modification of this method or another method that you could take in researching the same topic. Please justify your choice.

Each week starting from week 37 (13 Sept.), 2 groups of students will be assigned to submit a report and present (5-7min) one published paper each, answering the questions above. The deliverables of this assignment include a short report (max. 2 pages) and a presentation. Both should be given on the deadlines. Please select your topic for this assignment from the table below **until Sept.6th at 23:59**, by entering your assigned group number in this sheet [shorturl.at/tFUW4] selecting from the table below.

	Date/ Deadlines	**Topic**	**Slots**
1.	Monday 13. Sep.	Experimental research and design	2
2.	Monday 20. Sep.	Experimental research and design	2
3.	Monday 27. Sep.	Surveys	2
4.	Monday 4. Okt.	Case studies	2
5.	Monday 11. Okt.	Case studies	2
6.	Monday 18. Okt.	Interviews and focus groups	2
7.	Monday 25. Okt.	Interviews and focus groups	2
8.	Monday 1. Nov.	Ethnography and diaries	2
9.	Monday 8. Nov.	Usability testing	2
10.	Monday 15. Nov.	Human factors	2

Delivery: Please submit both the presentation and the report, using Devilry, as **.pdf** files. Include your assigned group number and topic in the file-name. Example: Group1_ Experimental research and design_report.pdf, Group1_ Experimental research and design_presentation.pdf

Deadline: The presentation and the report should be delivered within 23:59 in Devilry at the date of your presentation slot. Example: Are you presenting on Monday September 13th, your deadline is Monday September 13th at 23:59.

Language of the assignment: the report could be either in English or Norwegian, while the presentation should be in English.
