Agenda

- A short evaluation of IN5210/IN9210 in 2021
- Practicalities and a few advices for the exam

Evaluation

- Split in groups
- Each group have 15 minutes to agree on:
  - 3 positives about the course (things we must continue to do)
  - 3 negatives about the course (things we must stop doing)
- Plenary discussion (10 minutes)

- Any further feedback:
  - Send and email to pnielsen@ifi.uio.no
  - Respond to the ‘course evaluation’ by FUI

Exam: Practicalities

- Start: 08.11.2021
  - Available from the course web
  - Only for students with approved seminar participation

- End: 29.11.2021
  - Hand-in per instructions in the exam

- Language
  - Assignment in English
  - You can write in English or Norwegian

Exam: How to approach it

- Individual assignment
  - Discussions with fellow students is ok
  - Doing it together and handing in the same answer(s) is considered cheating

- You are not expected to use the full three weeks
  - 3-4 full working days (if you have read and participated actively in the seminars)

Exam: Show your knowledge and skills

- Answer the questions one-by-one
- Answer the questions in the order they are given
- If you see the need to clarify how you interpret the question, do so explicitly

Exam: Show your knowledge and skills (cont.)

- Answer the questions
  - Show that you have understood the question
  - Respond to the question using what you have learned in IN5210
  - Do not write about ‘other things’
  - No need to repeat the question in your assignment

- Avoid making your assignment look like being written in a rush
  - Make the text coherent
  - Use a spellchecker

Exam: FAQ

- If you have questions during the exam, send an email to pnielsen@ifi.uio.no
- If I find it appropriate to answer, the question and the answer will be posted to the exam FAQ
