

Assignment 5.

Please read chapters 11 and 15 carefully. In answering your questions, use appropriate concepts.

- 1) Please do the research exercise on page 303 in your book.
- 2) Assume that you would like to read the headlines from www.aftenposten.no. Discuss the challenges and possible technological solutions in case that a) you cannot see, b) cannot use your hands.

There may be an alternative to this question after Jo's lecture.
