- Feathery

Wonder document

- It is meant to be a project brief (1-2 pages), where you present:
 - project of choice with title
 - your group members
 - why have you chosen that particular project,
 - what you plan to examine (some initial research questions)
 - how you plan to do that (methods)
- These are stepping stones to guide your ideas and project work forward
- Send ifi user name and title of project to hanim, and upload your wonder document

Syllabus

- <http://www.uio.no/studier/emner/matnat/ifi/INF5261/h15/pensumliste/index.html>
- Overview

 - Vision to Access
 - Universal Design
- Ola Norbryhn
 - Mobile developer at NRK
- Other invitations?

Feathery – activities on the move

“Next to a leisurely walk I enjoy a spin on my tandem bicycle. It is splendid to feel the wind blowing in my face and the springy motion of my iron steed. The rapid rush through the air gives me a delicious sense of strength and buoyancy, and the exercise makes my pulse dance and my heart sing.” Helen Keller, My Life

Next week

- Projects
- Planning
