

EXAMINATION
SGO2200 - Economic globalisation and regional development
May 23rd 2014
(3 hours)

Results will be posted on the Studentweb June 13th, and will be available to the candidate from approximately 3.00 p.m.

The results are considered official on publication in Studentweb and students are responsible for checking their result at this time. If you want an explanation for grade, you must apply within one week after the result is published. If you want to complain on the grade, the complaint must be lodged within three weeks after the grades are published in Studentweb.

This examination paper consists of 2 pages, including this page.

The candidate must submit both the original and the copy of their examination answers.

NB! Make sure the copy is legible. No draft is permitted.

Remember to write down your candidate number for later use.

The students are to answer three out of four questions.

Question 1

How have innovations in transportation technology contributed to increased geographic mobility?

Question 2

What is China's major impact on the global economy?

Question 3

Describe the major components of a production circuit.

Question 4

What is a "born global" transnational corporation (TNCs)? What are the major differences between "born global" TNC's and traditional TNC's? Give one example.

Good luck!
