

SCHOOL EXAMINATION
SGO2200 - Economic globalisation and regional development

May 26 2015
(3 hours)

Results will be posted on the Studentweb June 16th, and will be available to the candidate from approximately 3.00 p.m.

The results are considered official on publication in Studentweb and students are responsible for checking their result at this time. If you want an explanation for grade, you must apply within one week after the result is published. If you want to complain on the grade, the complaint must be lodged within three weeks after the grades are published in Studentweb.

This examination paper consists of 2 pages, including this page.

The candidate must submit both the original and the copy of their examination answers.

NB! Make sure the copy is legible. No draft is permitted.

Remember to write down your candidate number for later use.

The students are to answer three out of four questions.

Question 1

In Global Shift it is argued that there is an increasing interconnectedness of the global economy. How can interconnectedness be defined? What are the dimensions of interconnectedness?

Question 2

Why do firms transnationalize? Use examples.

Question 3

Present and discuss how economic globalization can have both positive and negative effects on people.

Question 4

What do we mean by time-space shrinking technologies? Give examples and discuss the geographical unevenness of such technologies.

Good luck!
