

EXAMINATION
SGO4010 Qualitative method

March 21st 2011
(6 hours)

Results will be posted on the Studentweb April 11th at 2.00 p.m., and will be available to the candidate from approximately 3.00 p.m.

The results are considered official on publication in StudentWeb and students are responsible for checking their result at this time. If you want an explanation for grade, you must apply **within one week** after the result is published. If you want to complain on the grade, the complaint must be lodged within three weeks after the grades are published in StudentWeb.

This examination paper consists of **2 pages**, including this page.

The candidate must submit both the original and the copy of their examination answers.

NB! Make sure the copy is legible.

Remember to write down your candidate number for later use.

The students are to answer two out of three questions.

NB: Make sure the copy is legible!

Question 1

What is meant by triangulation and which role does it play in qualitative method? Use examples.

Question 2

You are a researcher conducting qualitative interviews. Discuss which challenges you will face in this process. How will you ensure the quality of your interview-based research?

Question 3

You are a researcher responsible for developing a qualitative research design for a project about university students' travel experiences. Present an outline of your suggested research design, with emphasis on the process of data analysis.

Good luck!
