Information regarding your exam

SOS4150 -Population Health and Health Inequalities

- The exam consists of a 6-hour school exam.
- If you have questions during the exam, you can contact one of the exam guards.

About the exam

- The examination consists of three sections:
    1. Multiple choice (1/3 of the exam grade)
    2. Two concept definitions (1/3 of the exam grade)
    3. Essay (1/3 of the exam grade)
- In the multiple choice section, you receive 1 point for the correct answer, no deductions for wrong answers. 0 points for the wrong answer and 0 points if you leave a question unanswered.
- The examination text is in English and you may submit your response in Norwegian, Swedish, Danish or English.

Examination support material

Dictionaries handed in before the examination can be used during your exam.

Inspera also checks your spelling as you write.

After the exam

- You do not have access to your exam answer after the exam because the multiple-choice tasks are reused.
- If you would like a copy of your essay, please send an email from your UiO-address to m.l.vold@sosgeo.uio.no

Good luck!

You do not have access to view the multiple-choice questions because they are reused.
