How to submit in Inspera

- Read about submissions in Inspera.
- When you have successfully uploaded your files, you will see that they are saved to your submission.
- You can change your files until the submission deadline.
- When the test closes, your uploaded files will be submitted automatically.
- You will see your submission under **Archive** after the test is closed. If you do not see your submission, send an email with your files to the department immediately: info-master@sai.uio.no

Information about illness during exams

Illness at exams / postponed exams - University of Oslo (uio.no)

If you apply for a postponed submission deadline for the submission, you must do so before the exam is over. Contact the department immediately: info-master@sai.uio.no

Grading

The exam is assessed by an examiner on a Pass/Fail scale.

The final exam result will be published in StudentWeb no later than three weeks after the exam.

If you submit files and the test closes, you cannot withdraw your submission and it will be graded. Make sure you submit the correct files.
