- Home exam
- Disclosure of exam assignment: November 18 at 3:00 PM
- Submission deadline: November 25 at 3:00 PM

Information about the exam

- The exam consists of three questions, you are to answer **one** question.
- The exam paper must be minimum 2900 words and maximum 4400 words including cover page and foot- or endnotes. Reference list is not to be included in the total number of words.
- Times New Roman, font size 12, line spacing 1,5
- You should familiarize yourself with the rules that apply to the use of sources and citations.
- Have a cover page which specifies:
  - Total number of words
  - The course code and course title
  - Which question you have chosen to answer
  - Semester and year
  - Your candidate number. **Do not write your name in your exam paper**. You will find your candidate number in Studentweb or in Inspera.
- You may submit your response in Norwegian, Swedish, Danish or English.
- Make sure your submission is anonymous - do not use your name in your assignment or in the file name.
- You are only allowed to submit one file and it needs to be in PDF-format.

Questions during the exam

- If you have questions about the exam, you must send an email from your UiO-address to SV-info. Write the course code in the subject field.
- If any information is given to all candidates during the exam, this information will be posted in Canvas. Make sure that you receive Canvas notifications.

How to submit in Inspera

- When you have uploaded your file, you will see that it is saved to your submission.
- You can change your exam answer until the test closes.
- When the test closes, your answer will automatically be delivered for grading.

After the exam

- After the submission deadline make sure that you find your submission under "**Previous tests**" in Inspera.
- Send an e-mail with your submission immediately to SV-info if you do not see your submission.

1 Exam

Exam Questions:
Answer **one** of the following three questions:

1. Does it matter what we call the environmental harm of our age? Discuss, using at least three texts from the reading list.

2. Why are many anthropologists critical of dividing the world into 'nature' and 'culture'? Discuss, using at least three examples from the reading list.

3. Lorimer's article starts with "Recent work in the life sciences shows….". Critically interrogate the role attributed (here and in other texts) to selected scientific evidence, and how the author(s) relate scientific findings to traditional and spiritual knowledge and lay experience. Use at least three examples from the reading list.

Best of luck!
