

1 MAE4054 Study Design for Causal Inference - Exam autumn 2023

The exam is a three-day take home exam and consists of an individually written paper.

In 1500-2000 words you characterize and critique an empirical study in light of the study objectives, study design, and causal inferences that were drawn with specific attention to identification issues and possible specification and robustness checks.

The study you are to use for the exam: [Exam 2023 - Changing the Odds Student Achievement after Introduction of a Middle School Math Intervention](#)

Front page: include your candidate number, course code and course name, semester and number of words in the assignment (not including references).

[Use APA reference style.](#)

Hand in the exam in one PDF document. The exam language is English.

The exam opens on Tuesday December 12 at 09:00 and the submission deadline is Thursday December 14 at 15:00.
