

Written exam in SNE4110 and SNE3110 Autumn 2019

All examination questions (1, 2 and 3) are to be answered. The examination questions must be answered separately.

1. Compare Bronfenbrenner's original theory about human development and the revised one. What is new in the revised version?
2. Discuss to how, and to what extent – Bronfenbrenner's theory can be used as a theoretical framework for ICF.
3. What characterises Reindal's (2016) and Nilsen's (2018) views on inclusion. Discuss their perspectives about the concept, and to what extent their views differ? To what extent do their views correspond - or not correspond - to how the concept is described and defined in "The Salamanca statement and framework for action on special needs education" (UNESCO, 1994)?
