Das Europa-Institut steht wie kaum ein anderes Institut für den europäischen Geist und vermittelt diesen an Menschen, die sich für Europa stark machen und für die europäische Idee arbeiten wollen, sich einbringen wollen. Dies wollen wir auch über die Studienzeit hinaus mit unserem Alumni-Netzwerk stärken und das weltweite Netzwerk lebendig halten.

EILEEN FUCHS LL.M.
REFERATSLEITERIN FÜR DIGITALPOLITIK IM
BUNDESINNENMINISTERIUM

“

Der Schwerpunkt "Europäisches Wirtschaftsrecht" hat mein wirtschaftsrechtliches Profil geschärft und mir den Einstieg in eine international tätige Wirtschaftskanzlei erleichtert. Mit meiner Masterthesis zu einem Thema des Europäischen Arbeitsrechts konnte ich schon beim Berufseinstieg mein Interesse und meine Qualifikation im Bereich Arbeitsrecht unter Beweis stellen. Während des Masterstudiums am Europa-Institut habe ich viele Freundschaften und interessante Bekanntschaften knüpfen können, zu denen ich nach wie vor - auch beruflich - Kontakt halte. EVER e.V. ist ein zentraler Bestandteil meines Netzwerkes.

ERIC KESSLER, DEUTSCHLAND
PARTNER, AVOCADO RECHTSANWÄLTE

CLASS OF 2007/2008

“

Without the Europa-Institut I would never have obtained the wide-ranging, in-depth education that allowed me to pursue my career in legal research and academia. In addition to the well-structured courses taught by excellent academics and practitioners, it was the experiences such as the visits to the European courts and institutions, as well as the participation in EURODISM and Vis Moot competitions, that truly sparked my interest in legal research. Studying and socializing with students from diverse backgrounds and cultures was a unique experience. Last but not least: had it not been for the Europa-Institut I never would have met my husband!

ANA HARVEY (NEE KOPRIVICAL, SERBIA)
RESEARCH FELLOW AT MAX PLANCK INSTITUTE LUXEMBOURG

CLASS OF 2011/2012

“

Das Europa-Institut ist eine einzigartige Plattform, auf der die Praktiker des Europarechts und der Europapolitik ihre tagtäglichen, konkreten Erfahrungen, wie die EU tatsächlich funktioniert, an junge Menschen, die Gestalter des Europa von morgen, weitergeben können.

PROF. DR. PASCAL HECTOR LL.M.

Indem ich den Studierenden aus meinem Alltag im Europäischen Parlament erzähle, hoffe ich, ihnen zu vermitteln, dass sich der Einsatz für die europäische Sache lohnt, auch wenn man manchmal Gegenwind zu spüren bekommt.
